## SOCIAL MISSION STATEMENT

### Introduction

Celtic Football Club is legendary and as with most legends as much myth as fact surrounds its history and what the Club stands for today. The Social Mission Statement aims to simply define what the Club stands for and seeks to promote within society.

### History

Celtic Football Club was founded in 1888. Its principal founder was a Marist Brother named Walfrid. The Club had two principal aims: The first aim was to raise funds to provide food for the poor of the East End of Glasgow, an area of the City that was greatly impoverished and had a high rate of infant mortality. Within the East End was a large Irish community and friction was growing between the native Glaswegians and the new influx of Irish. Brother Walfrid saw the need for social integration and his vision was a football club that Scottish and Irish, Protestants and Catholics alike could support. A new football club would be a vehicle to bring the communities together and this was the second aim. The Marist brother sought for the Club to have both a Scottish and Irish identity and hence, the Club's name "Celtic" came about, representing a bridge of cultures across the Irish Sea.

### Current Positioning of Celtic Football Club

Celtic Football Club is a Scottish football club with proud Irish links. The primary business of Celtic is as a football club. It is run on a professional business basis with no political agenda. However, the Club has a wider role and the responsibility of being a major Scottish social institution promoting health, well-being and social integration.

### Who is Celtic Football Club for?

Celtic Football Club is for people who want to support a football club that strives for excellence in Scotland and in Europe, is proud of its history, supportive of its local community and seeks to support the following aims: "To maximise all opportunities to disassociate the Club from sectarianism and bigotry of any kind. To promote Celtic as a Club for all people, regardless of gender, age, religion, race or ability."

### Summary

Celtic is a club for everyone who believes in football as a medium for healthy pleasure, entertainment and social integration. The Club always has been and always will simply aim to be the team of the people.

## AS ALWAYS, OUR AIM IS TO GO OUT AND WIN THIS GAME

**A WARM welcome to Celtic Park today for the visit of Inverness Caley Thistle and that greeting is extended to the visiting team and their travelling fans as they come here for the first time this season.**

We start today's game after a difficult and tiring trip to Lisbon to take on Benfica in the UEFA Champions League and although we lost the game 2-1, we know what faces us in our final Group G game at home against Spartak Moscow and we also know we can still qualify for the next stage of the competition.

That is what we are aiming for even though we are guaranteed Europa League football no matter what happens but that, and the Spartak game are on the back-burner for the moment as our most important and immediate task is earning three points this afternoon against Inverness Caley Thistle.

By no means will that be easy as Terry Butcher will have his players fired up after their home defeat to Motherwell last weekend and he will be more than keen that his players avoid a similar disappointment today.

However, we will approach this game as we do for each SPL match and we also go into this tie on the back of a very pleasing display and result in our 2-0 win over Aberdeen at Pittodrie last Saturday.

It may not have been a day for fantastic free-flowing football but it was a tremendous performance under particularly difficult conditions against an Aberdeen side who have been on form and who have done little wrong this season.

It was a stern test for the players after drawing a couple of league

games against St Johnstone and Dundee United and losing to Kilmarnock before that, but the players knew they had to be professional about it and our attitude was to go out there and win the game.

We did just that with two fine goals and the players know that the Celtic support will be expecting more of the same today and another league win to keep us at the top of the SPL table.

It won't be easy as we know that Inverness Caley Thistle are a determined side as can be seen by our trip north to play them earlier in the season when we sped to a 4-0 lead but the home side pulled two

goals back late in the game to put a different perspective on the scoreline.

We'll be looking to take our chances today and we know that your backing from the stands can inspire the players and give them that extra yard to make the difference in games such as today's.

So, cheer on the Bhoys and enjoy the match.
