## SOCIAL MISSION STATEMENT

### Introduction

Celtic Football Club is legendary and as with most legends as much myth as fact surrounds its history and what the Club stands for today. The Social Mission Statement aims to simply define what the Club stands for and seeks to promote within society.

### History

Celtic Football Club was founded in 1888. Its principal founder was a Marist Brother named Walfrid. The Club had two principal aims: The first aim was to raise funds to provide food for the poor of the East End of Glasgow, an area of the City that was greatly impoverished and had a high rate of infant mortality. Within the East End was a large Irish community and friction was growing between the native Glaswegians and the new influx of Irish. Brother Walfrid saw the need for social integration and his vision was a football club that Scottish and Irish, Protestants and Catholics alike could support. A new football club would be a vehicle to bring the communities together and this was the second aim. The Marist brother sought for the Club to have both a Scottish and Irish identity and hence, the Club's name "Celtic" came about, representing a bridge of cultures across the Irish Sea.

### Current Positioning of Celtic Football Club

Celtic Football Club is a Scottish football club with proud Irish links. The primary business of Celtic is as a football club. It is run on a professional business basis with no political agenda. However, the Club has a wider role and the responsibility of being a major Scottish social institution promoting health, well-being and social integration.

### Who is Celtic Football Club for?

Celtic Football Club is for people who want to support a football club that strives for excellence in Scotland and in Europe, is proud of its history, supportive of its local community and seeks to support the following aims: "To maximise all opportunities to disassociate the Club from sectarianism and bigotry of any kind. To promote Celtic as a Club for all people, regardless of gender, age, religion, race or ability."

### Summary

Celtic is a club for everyone who believes in football as a medium for healthy pleasure, entertainment and social integration. The Club always has been and always will simply aim to be the team of the people.

# MANAGER

GORDON STRACHAN

"IT'S A TROPHY THAT I NEVER LIFTED AS A PLAYER SO OUR HAMPDEN VICTORY JUST TWO YEARS AGO WAS A MEMORABLE DAY FOR ME."

**W**e extend a warm welcome to Livingston tonight as we embark on our latest Co-operative Insurance League Cup campaign and we know that this side, who are flying high in the First Division, will be giving their utmost to test us this evening.

It was only a few years ago that Livingston lifted this very trophy and they took a few big scalps along the way before beating Hibernian in the final.

They have already dipped their toes into this competition this season and they will be keen to keep up the winning habit but it's a trophy that Celtic have a fair old relationship with as well and it's certainly one that we would like to see back on the sideboard.

It's a trophy that I never lifted as a player so our Hampden victory just two years ago was a memorable day for me, not least because it was at the end of a moving week and we were delighted to lift the trophy in memory of the great Jimmy Johnstone. It was also my first trophy as Celtic manager.

Livingston have had a fantastic start to the season and nights like this could be the ideal break for them from the week-in-week-out pressures of league football but we don't want them to enjoy the occasion too much.

Roberto Landi has pulled together a good squad of players and they will revel in playing at Celtic Park tonight but we know what we have to do.

Our support demand success and that's what the players strive to deliver on a game-by-game basis so tonight's match will be no different.

As I said though, Livingston have picked up the winning habit in the early stages of this season and we will have to be alert to any dangers that they pose.

However, our game plan is all about us and how we will approach the game so once more I ask you all to get behind the men on the pitch and play your part in helping us progress to the next round.
