## SOCIAL MISSION STATEMENT

### Introduction

Celtic Football Club is legendary and as with most legends as much myth as fact surrounds its history and what the Club stands for today. The Social Mission Statement aims to simply define what the Club stands for and seeks to promote within society.

### History

Celtic Football Club was founded in 1888. Its principal founder was a Marist Brother named Walfrid. The Club had two principal aims: The first aim was to raise funds to provide food for the poor of the East End of Glasgow, an area of the City that was greatly impoverished and had a high rate of infant mortality. Within the East End was a large Irish community and friction was growing between the native Glaswegians and the new influx of Irish. Brother Walfrid saw the need for social integration and his vision was a football club that Scottish and Irish, Protestants and Catholics alike could support. A new football club would be a vehicle to bring the communities together and this was the second aim. The Marist brother sought for the Club to have both a Scottish and Irish identity and hence, the Club's name "Celtic" came about, representing a bridge of cultures across the Irish Sea.

### Current Positioning of Celtic Football Club

Celtic Football Club is a Scottish football club with proud Irish links. The primary business of Celtic is as a football club. It is run on a professional business basis with no political agenda. However, the Club has a wider role and the responsibility of being a major Scottish social institution promoting health, well-being and social integration.

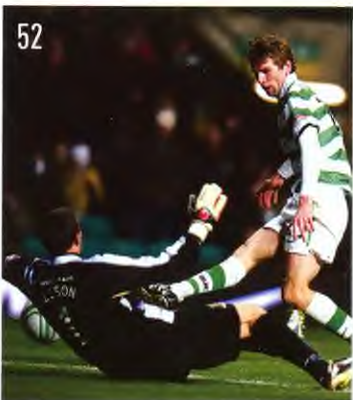

### Who is Celtic Football Club for?

Celtic Football Club is for people who want to support a football club that strives for excellence in Scotland and in Europe, is proud of its history, supportive of its local community and seeks to support the following aims: "To maximise all opportunities to disassociate the Club from sectarianism and bigotry of any kind. To promote Celtic as a Club for all people, regardless of gender, age, religion, race or ability."

### Summary

Celtic is a club for everyone who believes in football as a medium for healthy pleasure, entertainment and social integration. The Club always has been and always will simply aim to be the team of the people.

# WE'RE LOOKING TO GET THE JOB DONE TONIGHT TO REACH KNOCKOUT STAGE

**GOOD evening and welcome to Celtic Park for tonight's UEFA Europa League tie against FC Salzburg. And I'd like to extend a warm welcome to all our visitors from Austria - the players, management, club officials and supporters.**

This is a game that we're all looking forward to, and it's a vital match as we look to try and progress in this tournament.

Our match against FC Salzburg back in September was a tough one and we were pleased to begin our UEFA Europa League campaign with a point against a very good side.

FC Salzburg have proved that since, and have already qualified for the knockout stages, and for that we congratulate them on their success.

We'd love to join them in the draw for the next round, and to

do that we need to ensure that we gain two points from our last two group-stage fixtures. Ideally, of course, those points would come with a victory tonight and that is the focus of our squad.

We know, however, that it's going to be very tough against FC Salzburg, who will come to Celtic Park looking to maintain their impressive form in this competition.

We're in the middle of a good run of results just now, and our victory over Dundee at the weekend means that we've now gone eight games unbeaten.

However, the players know that we will have to produce a better performance tonight than we did on Saturday if we want to maintain that unbeaten run. We scored two good goals against Dundee, but we allowed them back into the game, and that's

something we want to avoid that against FC Salzburg.

One other vital factor tonight is, of course, our supporters. Celtic Park has a fantastic reputation in European football, and many great teams have found it difficult to play here because of the passion and support our fans give us.

That support will be vital tonight as we look for the victory which would ensure that we're playing European football after Christmas. That's what everyone is focused on and, hopefully, we will enjoy a successful night.

**Enjoy the game,**

## VISITORS ARE A TOUGH OBSTACLE BUT WE'RE CAPABLE OF VICTORY

**THIS is a game that everyone is looking forward to, but we know how difficult it's going to be. FC Salzburg were tough opponents when we played them in Austria, although I thought we deserved our point from that game.**

It was a really good team performance that night, and we'll need that level again tonight if we want to be successful.

FC Salzburg have won their three other fixtures since that 2-2 draw back in September, including a couple of great results against Dinamo Zagreb, so we know how dangerous they will be.

However, it's up to us to produce a performance that I know we're capable of, and if we do that, then I'm confident that we can enjoy another memorable European night here at Celtic Park.

I've been lucky enough to experience some great nights here in the past, and our supporters make this stadium very special on these occasions.

That's something all the players appreciate and, in return, we're

determined to do everything we can to ensure we're celebrating at the end of the game.

I was also delighted to sign my new contract to stay at the club until 2018. Celtic is my home and there's nowhere else I'd rather play football.

I've been lucky enough to have spent seven successful years here and I'm hoping enjoy further success over the next four years.

The aim here every season is to try and win every competition that we take part in, whether that's in Scotland or in Europe. We know that's not easy, but these are the standards that are set at Celtic.

So it's an important few days for the club, with some big games coming up. That starts tonight against FC Salzburg, and with your backing, I hope that we can take a step forward in this competition..

**Enjoy the game,**
