## JOHN McCLELLAND writes . . .

The last fortnight has seen us sign three players. Unlike the previous two signings, David Byrne and Paul Kinnaird, who are proven experienced professionals brought to the club to give stability and poise to our play, the latest trio have been engaged with a view to the future.

John Donegan, Martin Buglione and Anthony Cole are all in their early 20's and each one is determined to work hard in order to make the first team at St Johnstone. Such drive and determination puts them half-way towards the success that each craves; it is no bad thing to inject those qualities into the dressing room, to provide a real, motivated competition for places and remind all the players at the club that success in football only comes from good attitudes and hard work.

These qualities were never to be found wanting in Mark Treanor, who left St Johnstone with my best

wishes and utmost admiration. Mark was an excellent signing for Alex Totten, and a splendid servant to the club. It is not grudging praise when a footballer describes a colleague as "a good pro" and that perfectly sums up our former full back.

Results, and to a greater extent performances, have left something to be desired in recent weeks, and it is most disappointing that we have not built on the excellent performance against Rangers. This afternoon gives us the challenge of the other half of the "Old Firm"—another side to enjoy recent success against the Ibrox club. A warm welcome to the Alloa Brewery Company and their guests, whose Skol Lager brand is the sponsor of today's match. Skol have been good supporters to both St Johnstone and the whole of Scottish football in recent years, and I hope they enjoy their afternoon at McDiarmid Park.

## Saints Super 10

Every Tuesday, Saints Super 10 pays out an additional £100 prize for every goal scored by St Johnstone during the previous week's first team League and Cup matches. Last week, no games produced no goals, but the previous week Ian Redford's equaliser at Airdrie won £100 for MR T. KERR of Lewis Place (Agent Brian Bloice). Naturally, we hope to be paying out a few more extra £100's next Tuesday as a result of our matches at Easter Road, and against Celtic today.

Recent £100 daily winners with Saints Super 10 have been . . .

Saturday (3rd April) — D 8236 — MR B. CARROLL, Dunkeld (Agent: Lachlan Fullerton).

Monday (5th April) — G 0924 — MR T. MATHIESON, Campsie Road (Agent: J. Hess).

Tuesday — A 2564 — MR S. BRIGHT, Friarton Road (Agent: Dave Nicol).

Wednesday — B 5630 — MR R. WHYTOCK, North Muirton (Agent: Lachlan Fullerton).

Thursday — D 0237 — MRS C. BELL, Pitcairngreen (Agent: D. Dow, Almondbank).

Friday — C 2539 — MRS CARCARY, Struan Road (Agent: B. Robertson).

Saints Super 10 are always looking for more agents in all areas — all you need is to know 10 or more people at work, at leisure or in your locality who wish to participate in the Premier Prize Draw every week. For details of becoming an Agent, or joining the draw, contact Saints Super 10 on (Perth) 26961.

The Star Prizes keep coming in Saints Super 10 — every Saturday to be precise. A fortnight ago, MR G. WATKINSON of Edinburgh Road won £500 with F 2806 (Agent Dave Sharp) and last Saturday, MR C. KINNEAR of North Muirton won a Hamper filled with Drinks with H 3164 (Agent Betty McGregor). Today's Star Prize is the winners choice of Electrical Goods from the Hydro Electric Shop in the High Street. Listen to the announcement, and scoreboard notice, of the winning number and name of the lucky winner.

Football is much more than a game of 90 minutes. Every day clubs throughout Scotland are providing recreational and sporting opportunities in their local districts.

Much of this has been achieved with the help of the Football Trust.

As part of its commitment to Football in local communities the Trust provided £100,000 to set up the S. F. A. and Scottish Football League's pilot Community Scheme. The success of this programme heralded the expansion of the S. F. A.'s Community Officer scheme

throughout Scotland.

Bringing club and community together, Trust-backed initiatives have provided a variety of local amenities, including:

- Community officers at Scottish Football League clubs
- Artificial pitches for local teams
- Coaching for youngsters
- Support for women's football
- Facilities for people with disabilities

The Football Trust is helping the game at all levels.

# AROUND McDIARMID

There has been a fair amount of comings and goings on the player front since the last match programme. Three players have been brought to McDiarmid Park for minimal cost with two of them here to show what they can do short term before any decision is made about a longer stay. 23 year old Martin Buglione has made a bit of a name for himself down south with his scoring exploits for non-league Margate with over 50 goals in recent months. A self-confessed 'late developer' Martin aims to take this chance in senior football and prove he can continue to find the net at a higher level.

Just over a week ago Saints also signed Middlesbrough 'free' Anthony Coyle. A midfielder or defender, Anthony was on the verge of a first team breakthrough at Ayresome Park but jumped at the chance to come north and try his luck with Saints.

One man on a longer contract is goalkeeper John Donegan. The 22 year old Irishman hails from Mitchelstown in Ireland and played for Cork City and Kilkenny before joining Millwall in 1991. By coincidence, his debut for Cork was against Drogheda — a side Saints met last summer.

On the way out of McDiarmid Park has been fullback Mark Treanor. The former Clydebank captain was a vital member of the 89/90 promotion squad and will always be well thought of at Perth. An expert penalty taker he netted eleven times for Saints. Ironically, the only time he missed a penalty was in one of his last appearances in a Saints jersey when he missed a spot kick against Dundee a couple of weeks ago.

Kenny Thomson

News too of former Saints men. Alex Totten has of course taken over at East Fife and has taken former Saints right-back Kenny Thomson to Methil as his assistant. Their first piece of transfer business was to sign ex-Saint Doug Barron in a swap deal with Clydebank for yet another ex-Saint John Sludden.

Mark Treanor

The Perth Voluntary Fund raising group recently held a collection at McDiarmid Park in aid of the ACTIONAID charity which finances long-term development projects in Africa. The sum of £172.16 was raised and local coordinator Sue Finnie has written to the club asking us to express our thanks to those who donated.

The Saints souvenir shop in the Ormond Stand continues to be a popular attraction with its wide range of souvenirs and programmes. There are a few 92/93 design T-shirts still in stock and these are now being sold at the ridiculously low price of only £2.50!!

## ST JOHNSTONE IN QUESTION

Saints supporters will have the opportunity to submit questions to a panel, including Chief Coach John McClelland, Chairman Geoff Brown and Perthshire Advertiser Sportswriter Gordon Bannerman, at the Social Club, Dunkeld Road, on Wednesday, April 14th, starting at 7.30 p.m. Donning the mantle of Archie McPherson, in the chair, will be Saints Clubcell's Rick Hannigan. Admission is by ticket, priced £1, available from the Social Club.

A Sean McAuley goal after 28 minutes gave Saints a 1-0 win over Glenavon in Northern Ireland last week. John McClelland fielded 16 players including new signings John Donegan, Anthony Cole and Martin Buglione.

Few fans realised it at the time but Ian Redford's fine headed goal which gave us a share of the points at Airdrie a fortnight ago was Saints 200th Premier league goal.

# 1 YEAR AGO

11th APRIL 1992 CELTIC 3, ST JOHNSTONE 2 (Premier League)

Hamilton, Treanor, Baltacha, Cherry, Inglis, Redford, Turner, Davies, Wright, Maskrey, Curran. Subs: Arkins, Grant.

Parkhead's lowest crowd of the season witnessed an entertaining match which saw Saints score their first goal at that venue for eight years. Steve Fulton scored the only goal in the first half and a second half double from Charlie Nicholas secured the points. Saints goals came from Ian Redford and Paul Cherry after 47 and 87 minutes respectively.

Two of the men who helped gain victory at Berwick in 1988 Gary Thompson and Alan McKillop

# 5 YEARS AGO

9th APRIL 1988 BERWICK RANGERS 0, ST JOHNSTONE 2 (Second Division)

Balavage, Thomson, McVicar, Barron, McKillop, Johnston, Thompson, Coyle, Maskrey, Watters, Gavin. Subs: Jenkins, Smith.

The faithful few made the long journey to England to witness this important match for Saints and were rewarded with a win which took Saints to the brink of promotion from the Second Division. Two goals in three first half minutes did the damage with both of them being scored by Tommy Coyle. After 22 minutes he slotted home a penalty after Gavin had been impeded and then he rifled the ball into the net from the edge of the box for the second.

Today's visitors: Celtic 2 (McGhee, Walker), Hearts 1 (Scottish Cup Semi-final)

# 10 YEARS AGO

9th APRIL 1983 ST JOHNSTONE 2, HEARTS 1 (First Division)

McDonald, Kilgour, McVicar, Beedie, Caldwell, Rutherford, Gibson, Brogan, Blair, Morton, Branigan. Subs: Pelosi, Fleming.

A vital win for Saints in this top of the table clash watched by 7,501 at Muirton Park. The deadlock was broken just before half time by Jim Morton but Hearts drew level soon after half time with a goal from Dave Bowman. 20 minutes from time the winner was scored by Raymond Blair and although the Saints fans had an anxious time of it, their side held on for the win.

Today's visitors: Hibs 0, Celtic 3 (Nicholas 2, Provan) (Premier League)

## Today's Match Mascot

Leading Saints out today is 8 year old David Cross from Perth. A pupil at Oakbank Primary School David enjoys playing football and would like to be a goalkeeper. Not surprisingly his favourite Saints player is Andy Rhodes. One of the main reasons for wishing to be a keeper is that he doesn't like scoring goals — he hates being cuddled by other players!! Elder brother Andrew was the Saints mascot on the famous day we beat Aberdeen 5-0 so let's hope the Cross family are a lucky mascot.
