Having a reputation for a breathtaking turn of speed, consistently stunning performances and steadfast reliability does tend to mark you out for special attention.

Of course, being a member of the right team with a background of experience and success also helps.

Ian Skelly has over 30 years experience in the car game. His reputation for integrity, quality and quite simply the highest standards to be found is in a class of its own.

And that's something he has in common with a few other things around here.

# From the Manager...

**AFTER** our two most recent league matches when we lost to Hearts then were fortunate to beat Motherwell after a dismal performance, we must give our fans something to cheer this afternoon.

Our visitors, Dundee United, went to Pittodrie last weekend which is always a hard stadium to win points at and came very close.

They took the lead in the early stages then fell behind before half time, but in a great second half fight back they pulled the score back to 3-2 and could have equalised before the end of play.

We know that they always make things difficult for us at Celtic Park and in their side they have good players, capable of winning anywhere.

No matter the outcome today, the spectator should be a winner, but I cannot stress enough how important a win today would be to Celtic and it is with a positive attitude and a winning frame of mind that our players will take the field.

It was pleasing to see Willie McStay return to action last week, but an injury picked up by Davie Provan during the match at Fir Park, will hold up our team selection until a fitness test near the kick-off.

## A Previous Highlight

WHEN Celtic and Dundee United met at Celtic Park on October 20, 1962 in a league division one match, neither was doing well in the league.

United were sitting 13th place with five points after seven matches, Celtic were in sixth place with nine points from the same number of matches.

At the end of the 90 minutes action, Celtic had increased their points total by two through the only goal of the game, scored by Stevie Chalmers.

## It's a fact . . .

■ UNITED are currently enjoying their longest undefeated run at Celtic Park. At present it stands at five matches and we haven't beaten them here since April 1983. Of the five matches three have ended 1-1 and United have won the other two 3-2 and 2-1.

■ CELTIC'S biggest win over United here is 7-0 in 1929/30. United meanwhile, have never beaten us by more than a single goal at Celtic Park.

■ BRIAN McClair is just one goal short of 50 league goals for Celtic and Roy Aitken and Tom McAdam are both one short of 50 goals in all competitions.

■ DUNDEE United were first known as Dundee Hibernians. They changed their name in 1923 when they were re-admitted to the Scottish League.

■ ALL United's three major triumphs have been achieved at Dens Park, the home of their old rivals, Dundee.

## Our visitors at a glance . . .

**BILLY THOMSON** Signed from St. Mirren in 1984 for £75,000. Has been unable to claim a regular team place, due to the consistency of Hamish McAlpine. Billy made his first appearance of the season a fortnight ago in the 1-1 draw with Rangers.

**HAMISH MCALPINE** Hamish has been at Tannadice since 1966. As the regular goalkeeper he is a former captain and penalty taker and is the club record holder for league appearances. Hamish has five under-21 caps. Doubtful for today due to an injury sustained at Pittodrie recently.

**MAURICE MALPAS** Joined Dundee United in 1979 from Leven Royals. Now in his second season as full-timer, Maurice has won under-21 and full caps for Scotland. The Dunfermline born defender or midfielder was a member of United's league winning squad.

**RICHARD GOUGH** Richard signed from South African club, Witz University in 1980. Within a year he was a regular in the side. Despite being born in Stockholm, Richard has represented Scotland at under-21 and full level and scored the winner against England last season.

**JOHN HOLT** John has been at Tannadice for over ten years since signing from Invergowrie Boys' Club. He is the third longest serving player at United.

**PAUL HEGARTY** Signed for Dundee United as a

striker from Hamilton Accies in 1974. Paul has converted into one of the best central defenders in the Premier League. Club skipper, Paul has won nine full caps for Scotland.

**DAVID NAREY** Another Scottish Internationalist, David is the club's most capped player, (25 times). David signed for Dundee United in 1973 from St. Columba's Boys' Club and made his debut five months later. Now approaching the 500 appearance mark.

**EAMONN BANNON** Started his career with Hearts before joining Chelsea. Eamonn signed for Dundee United for a club record fee of £165,000 in November 1979. He is another United player who has represented Scotland.

**BILLY KIRKWOOD** Billy signed in 1976 from Cornhill Boys' Club, known as "Mr Versatile" at Tannadice. Billy has played in almost every position since making his debut against Hearts in 1977.

**PAUL STURROCK** Signed in 1974 from Bankfoot. Paul made his debut as a substitute against Jull Pelrosani in September 1974. Yet another Scottish Internationalist at Tannadice having 13 caps.

**DAVID DODDS** Davie joined United in 1975 from local schools football. He has won 2 caps for Scotland and the tall striker has been the club's top scorer over the last few seasons

## Pat faces up to spot kicks

WITH the introduction of the new Skol Cup format of playing matches to a finish, the question of taking and facing up to penalties has received greater attention this year than usual.

It has added to the excitement of the competition although the players still harbour the disappointment of losing out to Hibs through this method during our quarter final match at Easter Road.

In facing a penalty all the pressure is usually on the kicker and it is up to the goalkeeper to try to increase the odds in his favour. There is a lot of kiddology involved and many penalties are missed or scored because some small incident might have unnerved the kicker.

I remember how Liverpool won the European Cup Final penalty 'shoot out' against Roma two years ago because Bruce Grobbelaar's unusual behaviour on his goal line upset one or two of the Italians.

Experience also counts for a lot when facing penalties as you usually have a pre-knowledge of the kicker. You begin to know which players like to place the ball and which ones prefer to blast it. You get to know which kickers are right footed or left footed.

I think my own penalty record proves this as I only managed to save two penalties in my first two seasons with Celtic while I have managed to save more than half of the seventeen penalties in the last two years.

One of the most competent penalty takers I've faced is Gordon Strachan, when he was with Aberdeen. He could hit the ball in either corner and never telegraphed his intentions. The only time I managed to stop one of his efforts was at Pittodrie two years ago and only five minutes later, Aberdeen were awarded another penalty and this time I was unable to repeat the save.

Since I came to Scotland I've been told how Hamish McAlpine once took some penalties for Dundee United and to be honest, it's not an example I would like to follow. Quite simply it's not my job, although if I had to take one in a penalty 'shoot out' situation I would not be afraid.

## CHARLIE TULLY

Charlie Tully, third from left, among his team mates with the Coronation Cup.

THE word charisma could have been coined for Charles Patrick Tully after he crossed the Irish Sea to join Celtic. There is no doubt that Tully was one of the most entertaining and colourful players ever to wear one of the green and white hoops. His name brings back memories of the great days of football attendances and is as familiar to younger Celtic supporters as to those fortunate enough to have seen him play.

His football career began with Belfast Celtic and a marvellous display against a Celtic side touring Ireland in 1947 led to manager Jimmy McGrory returning to Ireland to secure his signature. At that time Celtic, although having some splendid footballers, were in the shadow of Rangers and unable to bring trophies to the Parkhead side-board.

Within a couple of weeks of his arrival, Charlie had altered the situation as he was the architect of a 3-1 League Cup Final victory over Rangers, giving Scottish internationalists George Young and Ian McColl as difficult a match as they ever experienced in their careers.

From his arrival Celtic never looked back and

the club won the Scottish Cup in 1951 for the first time since 1937. Tully was the presiding genius of victories in the next few years with Celtic winning the Coronation Cup in 1953 and the Scottish and League Cup double the following year.

Tully is also fondly remembered for his amazing feat in scoring directly from a retaken corner against Falkirk at Brockville, after his original goal had been disallowed, but it is not such common knowledge that he also scored direct from a corner for Northern Ireland against England in Belfast in 1952.

In later years when asked if he merited a place in the Celtic Lisbon Lions side he replied "Sure, I could take the corners". During his career at Celtic Park, Charlie won few caps for Northern Ireland.

Throughout his spell with Celtic, Tully always had an aversion to training and his attitude to lapping the track was clearly indicated when he once reflected "you don't learn how to play snooker by running round the table".

## MY TOP THREE

MAURICE JOHNSTON has chosen our half time records today. He lists his favourite recording artists as Bruce Springsteen and U2 and this is reflected in his choice of his top three favourite songs. They are:

- 1 Sunday Bloody Sunday ..... U2
- 2 Born in the USA ..... Bruce Springsteen
- 3 Sailing ..... Rod Stewart

When Maurice was born on April 13, 1963, Gerry and the Pacemakers were at the top of the charts with "How Do You Do It".

The Waterboys have a new single out called "The Whole of the Moon". Another one to watch is "You are my World" by the Communards.

Remember if you have any requests, write to Gerry Cullen, The Celtic Shop, 18 Kerrydale Street, Glasgow, G40 3RW.

# This time last year . . .

. . . THE Celtic first team didn't have a match because our opponents Rangers were due to play our opponents today, Dundee United in the Skol Cup Final the next day. We will therefore look at how our reserve side fared this time last year.

## CLOSE

The young Bhoys met their counterparts from Rangers at Ibrox Park and we started the match one point behind Rangers in the Reserve League. The first half ended goalless but Celtic had the upper hand with Shepherd, Archdeacon and Chalmers all going close.

In the second period, just when the match looked like ending with a blank scoresheet, Rangers were awarded a penalty in the 75th minute. Peter Latchford came to the rescue and got down to hold the spot kick at the right hand post. This spurred on the Celts and eight minutes later Alan McNally scored to give us a well deserved win.

## WORLD CUP PLAY-OFF MEANS FIXTURE CHANGES

THE Scottish Football League Management Committee has decided that, to help the Scottish National side in the preparation for their play-off matches in the World Cup, the Premier League fixtures from November 9 and November should be switched. That means they will now read: November 9 — Aberdeen v Dundee; Clydebank v St. Mirren; Dundee United v Motherwell; Hibernian v Hearts; Rangers v Celtic; November 16 — Celtic v Clydebank; Dundee v Dundee United; Hearts v Rangers; Motherwell v Aberdeen; St. Mirren v Hibernian.

In addition, if Scotland have to travel away from home to play on December 4, the League Management Committee is prepared to cancel Premier League fixtures, involving players selected for the Scotland squad, on the Saturdays immediately before and after that date. That is November 30 and December 7.

September 4 — Hibernian won 4-3 on penalties. September 7 — one own goal. Fultton. No substitutes were used in Madrid. The following players were all on the bench: Latchford, McAdam, O'Leary, McInally, Archdeacon. Substitutes not used on October 2 were Latchford, O'Leary and Archdeacon.

Bold type denotes home match — \* denotes goalscorer, † denotes substitute used to replace \*, † denotes substitute used to replace \*\*

## Reserve Talk . . .

SINCE the last programme, we've played three matches, two in the league and one in the reserve league cup.

In the league we travelled to Edinburgh to face Hearts. With regular striker Paul Chalmers on duty with the first team, we called Sandy Fraser into our line up.

Sandy responded to his call-up in the best possible way and scored twice as we recorded a 3-1 victory.

Then we had the use of Celtic Park for our reserve league cup meeting with Dumbarton. After going behind we came back and goals by Tom McAdam and Jim McKechnie gave us a 2-1 victory.

Last Saturday we played our third game in seven days and slumped to a 1-1 draw with Motherwell in the league. Alan McNally was our scorer.

## FIVE YEARS AGO

DATE: OCTOBER 25, 1980

KILMARNOCK took the lead after 13 minutes when Crammond drove the ball past Pat Bonner. It was good work by Provan on the right wing that allowed Nicholas to score the equaliser after 36 minutes. Davie beat three Killie defenders on the touchline and sent over a super cross and young Charlie rose to head the ball into the back of the net to put Celtic Level.

Just before half-time Frank McGarvey took a pass from Dom Sullivan just inside the Kilmarnock box and Frank struck the ball high into the Killie net to give the Parkhead side a 2-1 interval lead.

Six minutes into the second half, Frank McGarvey was pulled down in the Killie penalty box and Nicholas stepped up to score Celtic's third goal. Four minutes from the end of the game Nicholas slipped a great ball through the Ayrshire defence and Frank McGarvey took the pass and slotted the ball into the Kilmarnock net for Celtic's fourth goal.

## TEN YEARS AGO

DATE: NOVEMBER 5, 1975

CELTIC were at home in the second leg of their second round European Cup Winners' Cup tie with Boavista Porto of Portugal. The first leg had ended in a no scoring draw, so the round would be decided on that night's score. The Celtic side was: Latchford, McGrain, Lynch, P. McCluskey, McDonald, Edvaldsson, G. McCluskey, Dalglish, Deans, McNamara, Callaghan. Sub: Hunter, Glavin, Lennox (Callaghan), Wilson and Hood.

Mane scored for the visitors, but goals by Dalglish, Edvaldsson and Deans put Celtic into the next round.

## FIFTEEN YEARS AGO

DATE: OCTOBER 21, 1970

CELTIC travelled to Dublin to meet Waterford in a European Cup second-round first leg tie. The details were:

WATERFORD 0, CELTIC 7. Celtic: Williams, Craig, and Quinn; Murdoch, McNeill and Hay; Connelly and Macari; Wallace; Hood and Lennox. Subs. Chalmers (Hood), Davidson (Wallace).

Willie Wallace opened the scoring for Celtic in this match with one of the quickest ever goals in Europe — 12 seconds. Willie went on to complete his hat-trick and two goals from both Lou Macari and Bobby Murdoch made victory very sweet for Celtic.
