CLUB NOTES

Last season we had more than the average number of injuries, so we were very hopeful that we would be more fortunate in this respect this season. However, it did not turn out that way, because Billy McPhail and Sean Fallon were both clobbered in the trial game, and will be out of the reckoning for some time; so we were very glad to get off to a good start by beating our East End rivals, Clyde, at Shawfield, by 4-1, and the margin might well have been larger but for the injury to Neilly Mochan, which forced him to huddle on the wing for all of the second half.

All the team played their part in this splendid victory, but the displays of Jim Conway, who came in for Billy McPhail, and Duncan McKay, filling Sean Fallon's place, were particularly gratifying.

If these boys can maintain the form shown in this game, then their football future will be a very bright one.

In order to help the Second League clubs who are anxious to run Reserve teams, we have agreed to take part in the Scottish Combined Reserve League, comprising Dumbarton, Morton, Ayr United, Albion Rovers and Queen's

Park. This third eleven will be mainly made up from the many promising boys who are training at Celtic Park under the expert supervision of Jock Stein. In order to give these boys individual attention, we needed someone to assist Jock, and we have indeed been fortunate in securing the services of Alex. Boden, who is a first-class gymnastic instructor.

Alex. is very pleased to be back with Celtic, and we are very glad indeed to have him.

Our visitors today are St. Mirren, to whom we accord a hearty welcome. Like ourselves, they had a good win away from home last Saturday, and their centre-forward Wilson had a hat-trick, so it will be interesting to see how he fares against Bobby Evans, who is right at the top of his form.

On our last visit to the United States St. Mary's Celtic Association entertained us to a splendid Dinner and Dance in the Hotel Edison in New York, so we are very glad to welcome a big number of their members who have crossed the Atlantic especially to see our opening fixtures.

We hope they will enjoy their stay here and return to America with very pleasant memories of their trip.
