CLUB NOTES

It's up with the Bonnets of Bonnie Dundee, for this Dundee team have surely put themselves and Scottish football right at the top by their splendid victories in this year's European Cup in which they have beaten first-grade Continental combines. We are glad to welcome them to Celtic Park and it should be a splendid afternoon's football, if the two sides strike their best form.

Dumfries has never been an easy place for us to collect points so our 5-2 victory on Saturday was very pleasing as also was our 4-1 mid-week win over Raith Rovers, who were a much better side than their position in the League would convey.

The draw for the Fourth Round of the Scottish Cup took place on Monday and we await the winners of the St. Mirren v. Partick Thistle tie. Either of these clubs will provide us with a very stiff hurdle on our way to the semi-final.

The Reserve League Cup Final 1st Leg took place at Ibrox on Monday and after a very good game the Rangers emerged winners by 2-0. Our boys played very well and with a little luck might well have won. We did score first but the Referee after awarding a goal changed his decision after consultation with his linesman. From the stand it appeared to be a valid goal.

John Hughes, who missed the Dumfries game, and Bobby Murdoch, who had to call off from the Raith Rovers game, should both be fit for today.

CLUB NOTES—Continued

The question of the re-organisation of League football both here and in England is very much in the air and there have been suggestions of having three Leagues here but we feel that in the first instance it would be better to have two Leagues of 16 Clubs because this formation was quite successful before. As the financial aspect of the game is now so important the 32 clubs could be graded on the returns over a period of the last five seasons. If it were carried out on such a basis then there could be no reasonable complaint from any club.
