### NETTWERK RECORDS ARTIST KINKY

On their third album REINA, Kinky – lead vocalist Gilberto Cerezo, keyboardist Ulises Lozano, guitarist Carlos Chairez, bassist Cesar Pliego and drummer Omar Gongora – have put together 12 invigorating and eclectic new tracks that invite listeners to a celebration that mixes rock, electronica, hip-hop, Latin rhythm and some pots and pans with lyrics influenced by deep observations of the superficiality of day-to-day exchanges.

## WELCOME!

### MLS Friends and Family,

Welcome to the 2007 Sierra Mist MLS All-Star Game, as Major League Soccer takes on Scottish Premier League Champion Celtic FC. Tonight's game at America's newest soccer complex, Dick's Sporting Goods Park, highlights a series of exciting soccer events and celebrations in Colorado.

This year's All-Star Game takes place midweek for just the second time in Major League Soccer's 12 seasons. A national television audience on ESPN2 and TeleFutura along with a worldwide audience on ESPN International will be watching the best in MLS take on Celtic, winner of 41 League championships.

This will be the fourth time that the League's best players battle one of the world's top clubs in the Sierra Mist MLS All-Star Game. The MLS All-Stars have won all three previous meetings, outscoring international opponents such as Chelsea FC, Fulham FC and Chivas de Guadalajara by a combined score of 8-2. MLS stars such as the New York Red Bulls' Juan Pablo Ángel, the Kansas City Wizards' Jimmy Conrad and the Houston Dynamo's Dwayne De Rosario are scheduled to battle Celtic. Celtic is expected to feature high-profile players such as Polish World Cup goalkeeper Artur Boruc and recent additions Massimo Donati, Scott Brown and Chris Killen.

The Sierra Mist MLS All-Star Game also marks the symbolic midpoint of an incredible year that includes the debuts of many new world-class players in MLS, including the Galaxy's David Beckham and the Fire's Cuauhtémoc Blanco. In addition, we saw the United States win the CONCACAF Gold Cup in June and will witness the inaugural SuperLiga later this month when MLS teams take on Mexican first division clubs for bragging rights to the best team in North America.

On behalf of everyone in the MLS family – fans, players, coaches, administrators, corporate partners and owners – I thank you for joining us for the 2007 Sierra Mist MLS All-Star Game.

Sincerely,

**Don Garber,**  
Commissioner  
Major League Soccer

## ¡BIENVENIDOS!

### Amigos y familia de la MLS:

Bienvenidos al Partido de las Estrellas Sierra Mist 2007 de la MLS, en el cual la Major League Soccer se enfrenta al campeón de la Premier League de Escocia, el Celtic FC. El encuentro de esta noche en el complejo de fútbol más moderno de Estados Unidos, el Dick's Sporting Goods Park, destaca un conjunto de interesantes eventos de fútbol y celebraciones en Colorado.

Este año el Partido de las Estrellas tiene lugar a mitad de semana por segunda vez en las 12 temporadas de la Major League Soccer. Una audiencia televisiva nacional en ESPN2 y TeleFutura junto con una audiencia internacional por ESPN International estarán viendo a los mejores en la MLS contra el Celtic, campeón de 41 campeonatos de liga.

Esta será la cuarta vez que los mejores jugadores de la liga se enfrenten a uno de los principales clubes del mundo en el Partido de las Estrellas Sierra Mist. Las estrellas de la MLS han ganado sus tres primeros encuentros, goleando a rivales internacionales de la talla de Chelsea FC, Fulham FC y Club Deportivo Guadalajara por un resultado global de 8 a 2. Estrellas de la MLS como Juan Pablo Ángel de los Red Bulls, Jimmy Conrad de los Kansas City Wizards y Dwayne De Rosario del Houston Dynamo están previstas para enfrentarse al Celtic. En el Celtic se esperan jugadores de alta categoría como Artur Boruc, guardameta de Polonia en la Copa del Mundo y las recientes adquisiciones Massimo Donati, Scott Brown and Chris Killen

El Partido de las Estrellas Sierra Mist también marca la simbólica mitad de un año increíble que incluye los debuts de muchos nuevos jugadores de clase mundial en la MLS, como David Beckham en el Galaxy y Cuauhtémoc Blanco en el Chicago Fire. Además, vimos a los Estados Unidos conseguir la Copa Oro de la CONCACAF en junio y seremos testigos de la inauguración de SuperLiga™ a lo largo de este mes, donde equipos de la MLS se enfrentarán a clubes de la Primera División mexicana para el derecho de ser nombrado mejor equipo de Norteamérica.

En nombre de toda la familia de la MLS—aficionados, jugadores, entrenadores, administradores, socios corporativos y dueños—les agradezco por acompañarnos en el Partido de las Estrellas Sierra Mist 2007 de la MLS.

Atentamente,

**Don Garber,**  
Comisionado
